# Independent Assurance Practioner's Review Report

# St Swithun's Anglican Church Pymble For the year ended 31 December 2024

### Report on the Annual Financial Statements

We have reviewed the financial statements, which comprise the Statement of Comprehensive Income, the Statement of Financial Position and the Notes to the Financial Statements for the year ended 31 December 2024.

We have also reviewed the Property Income Worksheet which has been prepared in accordance with the provisions of the *Property Receipts Levy Ordinance 2018*.

### Responsibilities of the Wardens for the Annual Financial Statements

The wardens of the church/parish are responsible for the preparation and fair presentation of the Financial Statements in accordance with the Parish Administration Ordinance 2008. This responsibility includes establishing and maintaining internal control relevant to the preparation of the Financial Statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

### Assurance Practitioner's Responsibility

Our responsibility is to express a conclusion on the Financial Statements based on our review. We conducted our review in accordance with Standard on Review Engagements ASRE 2400 *Review of a Financial Report performed by an Assurance Practitioner Who is Not the Auditor of the Entity*, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the Financial Statements are not presented fairly, in all material respects, in accordance with the *Parish Administration Ordinance 2008*. ASRE 2400 requires us to comply with the requirements of the applicable code of professional conduct of a professional accounting body.

A review of the Financial Statements consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the Financial Statements of St Swithun's Anglican Church Pymble do not give a fair view of the income and expenses of St Swithun's Anglican Church Pymble for the year ended 31 December 2024 and the assets and liabilities as at that date, in accordance with the *Parish Administration Ordinance 2008*.

Furthermore, we are satisfied that the Declaration of Parish Net Operating Receipts has been accurately compiled from the Financial Statements of the parish and conforms to the requirements of the Cost Recoveries Framework.

## **Notes to the Prescribed Financial Statements**

# St Swithun's Anglican Church Pymble For the year ended 31 December 2024

### **Entity Information**

The parish of St Swithun's Anglican Church Pymble is an unincorporated body established by the Synod of the Anglican Church Diocese of Sydney. It is registered with the Australian Charities and Not-for-profits Commission and is recognised as a 'basic religious charity'.

### **Statement of Significant Accounting Policies**

The significant accounting policies which have been adopted in the preparation of the Prescribed Financial Statements (the Financial Statements) which comprise the Balance Sheet and the Profit and Loss are:

### **Basis of Preparation**

The Financial Statements have been drawn up as a special purpose financial report for distribution to the parishioners of the Parish. The wardens of the parish have applied the following accounting policies in the preparation of the Financial Statements:

- 1. The Financial Statements have been prepared on a modified cash basis of accounting using the historical cost convention and going concern assumption, except as affected by policies below
- Other Accounting Standards and mandatory professional reporting requirements in Australia have not been applied
  except as stated below. Except where stated the Financial Statements do not take into account changing money values or
  fair values of assets
- 3. These accounting policies have been consistently applied and, except where there is a change in accounting policy, are consistent with those of the previous year. The Financial Statements have been prepared based on the underlying accounting records of the Parish

### **Revenue Recognition**

Revenue is recognised when the parish is entitled to the income and the amount can be quantified with reasonable accuracy. Generally offertories and donations are recognised when received. Revenues are recognised net of the amount of goods and services tax (GST) payable to the Australian Tax Office.

#### **Asset Valuation**

Land is shown at Valuer General's valuation. Buildings and contents are stated at replacement value for insurance purposes. Investments are shown at market value. Other assets are shown at historic cost unless otherwise stated.

### Changes in the Value of Land and Buildings and Investments

Changes in the unimproved capital value of land and the insurance replacement value of buildings and contents are reflected in the Reserves of the statement of financial position. The net change in the fair (market) value of investments are reflected in the Reserves of the statement of financial position.

### **Employee Benefits**

Liabilities for employee benefits in relation to wages, salaries, annual leave and long service leave and ministry discretionary benefits accounts represent present obligations resulting from employees' services to year end.

Notes to the Prescribed Financial Statements
--

### Income Tax

The Parish is a charitable institution and has been endorsed as exempt from income tax.

### **Goods and Services Tax**

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST) except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.
